

„Nowa Energia” Publishing House is pleased to invite you to the Conference **"Heat not Lost - energy efficiency, thermal insulation for the energy and industry sectors, design and implementation."** The meeting will be held on **18-19 September 2014** in **Kraków** within the premises of the International Exhibition and Convention Centre EXPO Kraków.

The Partner of the conference is the **Polish Association of Industrial Insulation Contractors** (Polskie Stowarzyszenie Wykonawców Izolacji Przemysłowych; [www.pswip.pl](http://www.pswip.pl)). The honorary Patron is the Polish **National Energy Conservation Agency** (Krajowa Agencja Poszanowania Energii; [www.kape.gov.pl](http://www.kape.gov.pl)).

**Range of topics to be covered at the conference:**

- Existing insulation assessment methods
- Thermal insulation calculation software
- The Polish standard for designing thermal insulation
- Energy efficiency of thermal insulation (heat loss reduction, reduction of primary fuel consumption, CO<sub>2</sub> emission reduction, white certificates)
- Modern solutions for design and installation of industrial insulation
- Economical thermal insulation systems
- Modern insulation materials
- Tools, machinery and equipment for industrial insulation installation
- Financing options for energy efficiency improvement projects.

The conference is addressed to the representatives of: power plants, combined heat and power plants, chemical plants, refineries, designers of industrial boilers and installations, suppliers of tools and machinery for thermal insulation installation, energy auditors, industrial insulation contractors and scientists.

We are also pleased to invite you to visit the **"4INSULATION"** exhibition and to take part in the 11<sup>th</sup> edition of the European Competition for Industrial Insulation Fitters (18-19 September 2014).

**Participation fee:**

conference materials, meals, gala dinner - 850 zł net / per person
